Audit Services

Choosing PDP optimization? Great! Enjoy a complimentary audit and optimization recommendations for your top products on us.

What is included in the Audit?

In-depth analysis of your review quality, volume, recency, and customer engagement, allowing you to receive personalized optimization recommendations.

Which products get an audit?

We will ask you to send us 5 products that are performing well, but could use further optimization.

What happens after the audit?

We will send you an optimization plan of your selected PDPs for the holiday season.
